

Larry Ochs Sports Complex Master Plan

May 10, 2017 Community Workshop

Verbatim Group Responses

Group 1

What elements/features of the plan does your group like best and would like considered in the final master plan? Why?

- Prioritizing Colorado Springs youth
- Turf
- Multi-use/multi-size fields
- Playground and water play area
- Lot of parking
- Build as fast as possible!

What elements/features of the plan does your group most want to change? Why?

- Neighborhood homeowners complain less – just kidding

Group 2

What elements/features of the plan does your group like best and would like considered in the final master plan? Why?

- Playground, more fields, multi-use of property
- Phase II aquatic center is needed
- Ice arena would be good
- More fields for north end
- Primarily Colorado Springs usage
- New location much better for emergency and access

What elements/features of the plan does your group most want to change? Why?

- Are larger multi-use fields possible in outfields?

- No parking on Federal Drive; no spillover to adjoining properties
- More on-site parking needed
- Need traffic light at Federal and Interquest
- Concern on viability of multiple concessions stands
- Flexible fence distance possibilities?
- Maintenance/rubber storage
- Accelerate Phase II
- Continue to listen to Colorado Springs residents for wants
- Hours of operation – noise
- Concern regarding impact on Old Ranch traffic
